

Novitas Solutions Electronic Mailing (e-mail) List

Don't have time to check the Novitas Solutions website to see what's going on with Medicare?

Join the e-mail list and get all the news at your fingertips!

Novitas offers mailing lists with the most recent Medicare issues, alerts and updates. By subscribing to the mailing list, you receive a daily digest of important need-to-know information, such as Medicare program updates, educational opportunities, time sensitive information and much, much more.

The Part A or Part B General Information is the most popular mailing list; it delivers all general updates related to the Medicare program. The Electronic Data Interchange (EDI) mailing list delivers general EDI News and information related to electronic billing. The ABILITY | PC-ACE Users mailing list delivers updates related to the free Medicare billing software, ABILITY | PC-ACE.

Did you subscribe but are not receiving e-mail messages from Novitas? Try checking your spam or junk mail folder. Check with your organization's information technology staff for assistance with firewall or internet security settings on your computer.

Haven't subscribed yet? What are you waiting for?

Subscribe today by clicking "[Join Our E-mail Lists](#)" located on the Left Navigation Bar or the upper right corner of the web page.

Don't miss an excellent opportunity to get the latest updates and changes to the Medicare program.

Thank you for being a valued Novitas Solutions partner.

Sincerely,
